### RISK TO INVESTORS:

- Our manufacturing operations were temporarily discontinued in the past, which adversely affected our business, results of operations, financial condition, and cash flows, and similar disruptions in the future may have a material adverse effect.
- We derive a significant part of our revenue from selected customers. If one or more of such customers choose not to source their requirements from us, our business, financial condition and results of operations may be adversely affected.
- Our business is manpower intensive and any unavailability of our employees or shortage of labour or any strikes, work stoppages, increased wage demands by workmen or changes in regulations governing hiring of labour may have an adverse impact on our cash flows and results of operations.
- We rely on affidavits provided by our promoter group and group companies regarding shareholding in other entities.
- Our profitability has significantly increased in recent periods, and there is no assurance that we will be able to sustain such growth in the future.
- There have been instances of delayed filings and erroneous filings of certain forms which were required to be filed as per the reporting requirements under the Companies Act, 2013 to ROC.
- Our manufacturing operations were previously disrupted due to commercial disputes, which impacted our product-wise revenue mix and capacity utilization, and any recurrence of such issues may adversely affect our business.
- We do not have documentary evidence for the acquisition of the business of M/s. Autofurnish, the proprietorship concern, into our Company, which may expose us to potential risks relating to historical performance, compliance, and liabilities.
- Our Company has filed a compounding application in relation to Private Placement under Section 42 of the Companies Act, 2013.
- Major proportion of our revenue from operations derives from the state of Delhi. Any adverse changes in the conditions affecting these regions can adversely affect our business, financial condition and results of operations.
